**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Again you're trying to eliminate any competition in the market. between selling off spectrum to the big three, the TV repack failure and now this. Mr. Pai, you are a disaster.

Stop helping big business and think more about the people your'e supposed to be serving

I'm very happy using small providers. The service is far better than AT&T or Verizon and at a reasonable price. I have people to help me if I call and no robots to deal with.

Leave the rules alone on unbundling. The big guys are doing just fine with the way things are now
Please
